

## **SPRING ENVST INTERNSHIP**

Summit Land Conservancy is a land trust in Park City that works to permanently protect the open spaces in Summit County. The Conservancy has preserved over 2600 acres, is currently working to save an additional 3,000 acres, and needs your help to protect more!

We have an opportunity available for an individual to work with a nationally accredited land trust while gaining knowledge about land conservation, exploring Summit County open spaces, and working with a unique blend of fun, enthusiastic and environmentally-conscious individuals.

### **Responsibilities**

#### **Wild and Scenic Film Festival**

The Wild and Scenic Film Festival On Tour is a collection of films from an annual festival held the third week of January in Nevada City, California. The intern will help the Outreach & Development Director with all aspects of outreach and planning for the 2015 two-night event. Activities will include: maintaining the planning calendar; screening films; using the national festival's tool kit to create personalized posters, handbills, programs, etc; working with local businesses to acquire items for raffles; posting calendar notices and distributing marketing materials; developing media materials; conducting media follow up; and other activities as needed.

#### **Hops Hunters**

The Hops Hunters program aims to educate the public about the Conservancy's mission to save land by leading hikes to search for wild hops populations on protected open spaces. The intern will assist with preparing for and implementing our 2015 Hops Hunters program. Activities will include helping with outreach for the hikes and planning for a celebration event/fundraiser at the end of the season. We would also like to develop and incorporate a trivia night component to this year's Hops Hunters hikes.

#### **Other**

- Administrative duties
- Youth Programs assistance

Is there something specific you want to learn or do? Let us know, and during your time with us we will attempt to make this happen.
