Tracy Aviary
Part-time Photography Internship

Unpaid position available at Tracy Aviary in Salt Lake City, UT

Schedule is as-needed for programs and events – hours and schedule are flexible, with specific dates requested as needed. Minimum of 4 hours per week, maximum 25 hours per week. Internships are ongoing with flexible start and end dates.

DUTIES
Tracy Aviary is seeking up to three Photography Interns. Photo interns will be responsible for generating photo and/or video content for our spring break, summer, and fall break camps (as schedules allow), on-site and off-site events, bird shows, hands-on bird encounters, Custom Avian Experiences, exhibit birds, and general grounds/crowds photos. There are several activities that will be required to be photographed, but interns will also take on special projects of their own interest.

COMPENSATION
This is an unpaid internship opportunity.

MINIMUM QUALIFICATIONS
Interns must own or be able to use their own equipment, including digital SLR camera and at least a multipurpose lens in good working order. Candidates should be creative, communicative, punctual, professional, personable, and good around kids (though interaction will be minimal).

HOW TO APPLY
Please submit a resume, brief cover letter and/or email, and 10 samples of your photography, including at least one image from the following categories: 1) Animals, 2) Motion, 3) Candid portraits, 4) Nature, and 5) Creative use of technique or equipment. Please send applications to Lindsay Hooker, Community Awareness Coordinator, at lindsayh@tracyaviary.org.
