AmeriCorps Position Available.

The Summit Land Conservancy, a nonprofit land conservation organization based in Park City, Utah is looking for an energetic team-player to serve as our AmeriCorps Conservation Intern for the summer of 2016. Duties will be split between outreach/event organization and support for the Stewardship Director. Outreach/event duties will include working with volunteers and partner organizations, media communications, leading interpretive hikes, attending events (some weekends and evenings) and general office work. Stewardship duties involve visits to conservation easement properties to assist with the preparation of monitoring reports, record keeping, and database maintenance. Outstanding interpersonal skills combined with good follow-through are required. Skills related to rangeland management, ecology and/or plant identification (particularly invasive species) are preferred, as well as attention to detail and the ability to create professional documents. A college degree is required, as well as reliable transportation. The AmeriCorps internship runs for 900 hours, to be completed by the end of 2016. We would like the intern to start in early May and work approximately 40 hours a week through the summer. The internship pays a small bi-monthly living allowance and an education award after completion of service. AmeriCorps requires completion of a USU online Environmental Education course, and may offer other benefits (subsidized housing, food stamps, etc.).

The Summit Land Conservancy protects recreation land, farms and ranches, wetlands, and wildlife habitat in Summit County, Utah. Founded in 2002, the Conservancy was the first land trust in Utah to earn Accreditation from the Land Trust Accreditation Commission. More information on the Conservancy, its protected landscapes and current projects is available at www.wesaveland.org.

Interested candidates should send resumes and a cover letter to the Stewardship Director, Kate Sattelmeier, via e-mail (kate@wesaveland.org).
