BLM
Spring or Summer Internship 2015

The Bureau of Land Management Utah State Office is seeking a motivated intern interested in law as well as public lands issues to assist with the management of records being gathered as part of the R.S. 2477 litigation. Specifically, the BLM is gathering information that may be used as evidence at various phases of the litigation process for individual road claims, many of which are located in specially designated areas with sensitive resource values.

Interested students should e-mail kendahl.melvin@hinckley.utah.edu a.s.a.p.
