SOC 3480: Environmental Sociology (IR)
SOC 3650: Population & Society (QB, QI, IR)
SW 3550: Social Diversity and Cultural Understanding (DV)

UOnline:

- Unable to take any in person courses and select only from Sustainability Initiatives emphasis for major requirements in Environmental & Sustainability Studies (ENVST).
- Can only register for 290 sections of courses once declared in a UOnline program (all asynchronous online courses).
- Cannot declare a double major or minor that is not offered through UOnline. Find all options here: https://uonline.utah.edu/ug-programs/index.php
- Consult with the Office of Scholarships and Financial Aid. Scholarships and Loans may be adjusted or different due to the difference in UOnline tuition. You can see the perks and tuition rate for UOnline degrees here: https://uonline.utah.edu/tuition-fees/index-1.php
- You can use all campus resources still (academic advising, Career & Professional Development Center, tutoring, library resources, etc.) except for resources that require a UCard (Trax system, Student Life Center) and if you are out of state, the Counseling Center (due to licensure).
- This is not an emphasis we can switch back and forth from. Students can only change their status twice in their time at the U and at within a certain time frame (April 1st - June 30th only) in order to ensure financial aid packaging due to the different tuition rate.
- Certain classes in the ENVST major and on the University of Utah campus are only offered in specific semesters. We encourage all students to work closely with their academic advisor to create a plan to graduation.

CAREER OUTLOOK:

Educator: Environmental, Secondary & Post-Secondary
City, State or Federal Regulator
Lawyer/Public Policy Specialist
Restoration Practitioner
Agency or Academic Scientist
Urban Planner
Environmental Journalist
