

2019 AmeriCorps SLC Field Crew Member

The Utah Conservation Corps (UCC) is an AmeriCorps program dedicated to developing conservation leaders of tomorrow through improving the quality of public lands through partnership projects.

TERM DATES: June 3 – August 17, 2019 (3-month term)***

LOCATION(S): Position based in Salt Lake City, UT. Project sites are in the SLC vicinity.

**** The SLC crew member position is an AmeriCorps term requiring a minimum 3-month commitment in SLC. The successful applicant may choose to extend term of service if willing to base out of Logan, Moab, or Cedar City and commit to travel extensively for project work.*

POSITION DESCRIPTION

The SLC Crew Members will spend three months as part of a five-person crew based in the greater Salt Lake City area. The crew will be partnering with Forestry, Fire, and State Lands (FFSL) and the Utah Reclamation Mitigation and Conservation Commission (URMCC) to complete project work. Project work includes but is not limited to plant ID, mapping, native species planting, watering and care, invasive plant management, fencing, interpretative signage maintenance, and recreational access improvement. The crew will be trained in hand tool use, trails techniques, herbicide application, and basic wilderness first aid.

Crew members are responsible for being a contributing member of their crew, upholding and abiding by UCC policies & procedures, and conducting themselves in a safe and productive manner. Members of the SLC crew will be based out of SLC and are expected to have housing—as you will return each night after the work day.

Utah Conservation Corps arranges for travel during project time and supplies all tools and safety equipment and uniform tops. Crew Members must provide their own work boots, work pants, and personal camping gear. Crew members are responsible for purchasing their own food on and off project time. Members are also responsible for lodging and transportation during off time.
