

INTERNSHIP ANNOUNCEMENT

Park Name: Wasatch Mountain State Park

Intern Position Title: Park Ranger Aide/Naturalist Assistant

Dates Needed: Ongoing

Organizational Background

Wasatch Mountain State Park is tucked away in Utah's beautiful Heber Valley, its 23,000 acres poised on the east slope of the Wasatch Mountains at an elevation between 6,000 and 10,000 feet. Wasatch is home to an abundance of wildlife such as mule deer, elk, moose, mountain lions, black bear, raccoons, beavers, sandhill cranes, wild turkeys, coyotes and many others.

Wasatch Mountain offers activities year-round such as tent and RV camping, world class golf, scores of hiking, biking, and horseback riding trails, a community fishing pond, cross-country skiing, snowshoeing and ATV riding both summer and winter. Scenic drives and wildlife watching are also popular activities within the park.

Wasatch Mountain also contains a rich history of farming, ranching and homesteading. Several historic buildings still exist within the park, as does an old gravesite with a unique and intriguing history. A 130-year-old apple orchard at the Huber Grove is one of the hidden gems of Wasatch Mountain State Park.
